Killer's Escape Killer's Escape is a 1951 American western film directed by Gene Fowler. It was released by Columbia Pictures. Plot Dr. John Callahan (Robert Walker) is a highly respected physician and surgeon. The sheriff of a small town, he has lived there his whole life. On the night of September 2, he notices that his house's lights are on and so he decides to check out the place. However, he does not find the light on in the kitchen, so he goes to the living room. He is horrified to find the entire household murdered, in the most brutal manner. Callahan takes the situation seriously and before leaving town, he tracks down a trail of blood that leads to a nearby cave. Inside, he finds an envelope addressed to him, which contains a note stating that the killer shall remain free as long as he does not contact anybody about his deeds. Callahan is now the prime suspect in the case.
